

## Kenesserie Wish List 2017

This Kenesserie Camp wish list is a chance to dream and vision beyond our current program and budget restrictions. Included on this list are many practical recycled items that everyone can donate, along with larger items that would require a special donation. Some of the larger items provide a great opportunity for your Church, Sunday School, Youth Group or UCW Groups to fundraise for a specific item. General cash donations are always welcome. We can put the money to work where we need it the most. A tax receipt is provided as Kenesserie Camp is a registered not-for-profit organization.
